

LIST OF TREATMENTS

We invite you to discover the Heure Bleue Palais Well Being Center.

Using the products and following the rituals set out by Les Sens de Marrakech, Le P'tit Spa at Heure Bleue Palais welcomes you to our peaceful spa ambiance.

Feel free to come from your room in your bathrobe, or change at the spa.
Our massages are neither medical nor para medical; they are designed for your well-being and beauty.

HAMMAM

Inspired by the bathing rituals of ancient Greece, the hammam is an integral part of oriental life. Orientals go to the hammam every week in order to purify themselves according to the traditions of their religion. The hammam is also a social meeting place.

The sensation of purity and wellbeing felt after the bathing ritual is so special that the orientals call it « the silent doctor ».

THE RITUAL OF THE SULTAN

This complete hammam session allows you to enter the heart of the bathing tradition of Morocco.

Hammam – exfoliation with black soap and eucalyptus – a purifying wrap with rhassoul – traditional massage with Argan oil.
